

# Ammonites Class Home Learning Grid

Spring 1<sup>st</sup> half term 2017

'Once there were giants!'

Each week your child should complete:

### Reading

Read aloud to an adult for 10/15 minutes 4-5 times each week.

### Spellings

Practice your spellings each week. Spelling tests are on a Monday.

### Times Tables

Practice your times tables each week. Times table tests are on a Thursday.

### 10 Minute Maths

A couple of times a week, children will be sent home with maths home learning to be completed by the next day.

### Home Learning Grid

Select either option A or B to complete each week.

Due Date	Curriculum Focus	Option A	Option B
Friday 20 <sup>th</sup> Jan	PE, Maths	Design and write instructions for a PE game or warm up activity. Think carefully about using bossy instructions!	Keep a diary of all the exercise you have done over the period of a week. How many minutes did you spend each day doing exercise? Present in a table.
Friday 27 <sup>th</sup> Jan	Design and Technology, Art, History	Make a Spartan helmet or shield out of junk materials.	Design a Spartan helmet or shield. Label each part with materials you would use to make it.
Friday 3 <sup>rd</sup> Feb	English, History, DT	Create a poster about an imaginary Greek God. Make sure you include lots of facts and information. Can you think of a symbol for your God?	Research Greek food. Design a menu for a Greek restaurant. You could even have a go at making some Greek food!
Friday 10 <sup>th</sup> Feb	History, English	Imagine you are a child in ancient Greece. Write a diary entry about your day.	Create a PowerPoint slideshow or leaflet about ancient Greece to show everything that you have learned.
