Dear Parents and Carers,

As a whole school we are revisiting our Core Values and as active members of our school community we would like your help and support.

There are 5 main parts to the process which are outlined in this letter. Please help us by working with us on our journey as we think about those things which are really important to us all who come together at St Michael's School and Pre-School.

Part One.

Attached to this letter are 20 Christian Values. We would like you to talk about them, what they mean to you, your children and people you know and then indicate the order you would place them, 1 to 20. 1 being the most important.

We will then collect these in and try and find an order which most accurately fits the majority of people's choices. We would like you to complete this part and return your choices by Friday 16 March, 2018.

Part Two.

There will be variety of activities in school and for home work for the children and you to complete so that we really understand what is meant by each of the values chosen and how they are important in the Christian Faith.

Part Three.

From the activities in Part Two, the 9 values which reflect us best at St Michael's will be chosen by a small group of people. They will be then shared with the whole school.

Part Four.

Children will then take a value in their class and will think of ways in which they can be represented through art. These will be explored with their classteachers and then shared in a Celebration Assembly.

Part Five.

Using the values which have been chosen, we are going to work with Salisbury Diocese to develop an image which reflects these values. This image will become our Vision Statement for the school, showing our Core Values and Ethos. This will involve many groups of different people.

The final image will be unveiled during a Celebration Assembly and shared with everyone.

If you have any questions or would like to take a more active role in the Values and Vision process, please contact the school office and let them know.

Thank you for all your support. We look forward to working together with everyone and developing a real sense of identity within our Church School with our Values and Vision.

Yours sincerely,

Mr N Kiddle

Head Teacher: Mr. Nick Kiddle
