Dear Parents

St Michael's School PFA Association

Welcome to St Michael's School and the exciting learning journey your child will be on.

The PFA Association (Parents and Friends) runs alongside the school, organising events and activities to help fund extra resources for the children at school, to contribute towards, swimming lessons and other external activities as needed. This year we have had a fundraising target of £18,000 to replace and install much needed new playground equipment. We have managed to raise over £19,000 to date, and work will begin soon on the KS1 playground.

We would welcome any help you can offer with events and fundraising. Our annual AGM is held in October, when new PFA members are invited to join the committee and more information will follow nearer this time.

If you feel you can help or would like to join the PFA, please leave your details with Lisa in the office and she will forward them to the committee.

Kind regards

The PFA donates considerable funds to the school each year. This helps to fund swimming lessons and trips, buy books and resources and buy the 'extra' things that school funds don't stretch to
